county, a hyphen, and then could they have letters or just numbers?

SENATOR BROMM: In this case, it would be a combination of letters and numbers, COMMERCIAL 25 or...but the idea of it is that they can keep their existing number if they want to do that.

SENATOR CHAMBERS: But I mean that...

SENATOR BROMM: I suppose they could get a different number, too.

SENATOR CHAMBERS: ...the number that people would be looking at would be the county designation number,...

SENATOR BROMM: Yes.

SENATOR CHAMBERS: ...or the numbers that follow that designation currently. Like if my license plate right now on a pickup is 1-1234, I would have to pay to keep that 1, that digit 1,...

SENATOR BROMM: That's right.

SENATOR CHAMBERS: ...in Douglas County. I have a dash or hyphen and then could I have letters instead of numbers, the digits, 1234, because it's a personalized plate?

SENATOR BROMM: Yes.

SENATOR CHAMBERS: So what I'm really paying for is the right, under this bill, to retain that county designation digit?

SENATOR BROMM: You could say that, yes.

SENATOR CHAMBERS: Okay, I...

SENATOR BROMM: I think that's right.

SENATOR CHAMBERS: ...understand it. Even if it's not clear
